

FAQ's For Woodlawn Reopen

What is the temporary schedule for the reopening of the church campus?

Wednesday – 6:00 pm Worship – Last Wednesday night worship will be October 21st.

Sunday – 9:30 am Worship – Will begin on November 1st.

Sunday – 11:00 am Worship – This is the contemporary worship service led by David Wall

LifeGroups – All LifeGroups will be going back to their regular schedule beginning November 1st. However, the LifeGroups will look different due to the availability of teachers and size of the groups.

Is Woodlawn leadership expecting everyone to return to Campus on November 1st for worship and LifeGroups.

No. We are expecting smaller groups for Worship and LifeGroups. Due to social distancing, it is beneficial to have lower attendance until the high-risk spread of Covid 19 is reduced.

Do I have to register to attend Worship?

We are asking all those that plan to attend to RSVP for the service that they will be attending.

If you attend a Woodlawn worship service and discover later that you had Covid while attending, please contact the church. Then we will be able to communicate with those who have registered for worship about the positive case.

Who is considered at-risk?

The At Risk Population as described by the State of Texas in the guidelines given to churches are those who are:

What can I expect as I enter the Campus?

- Everyone will be asked to sanitize their hands as they enter the facilities. (A bottle of sanitizer will be provided.)
- Everyone will be asked to maintain six feet distancing from other people or other families.
- Every other pew will be roped off. On each pew, you will be expected to sit 6 feet away from another person or family on your row.
- Cards will be in the pews indicating where you can sit on a pew. We are asking you to fill out the card and leave on the pew when you leave. This card will allow us to contact and trace the disease if we are informed that an attendee has tested positive.
- No coffee, water or shared food will be available at the church.
- Finally, we expect all those who attend to not have fever nor any other symptoms or signs of Covid-19.
