

Faith Under Fire – Lesson 9

Spiritual World Revealed – Daniel 10: 1 – 11:1

Who is the person described in this Vision? God, Jesus, Angel.

What do Angels Do?

A. Angels as Messengers

1. They communicate your Importance to God – Self-Esteem. V.11
2. They provide support to overcome Fear. V.12
3. They provide strength V.17-18

What is Required of you?

Humble Yourself before God. (Lord and Savior)

B. Angels as Spiritual Warriors

- A spiritual battle was being fought with the Prince of the Persian Empire. V.13, v.20-11:1

Who is this Prince? Because he delayed this angel for 21 days. Who could delay an angel for 21 days? An opposing force to God. Satan or his demons.

What is our role in this spiritual warfare?

C. Our Role in Spiritual Warfare (Daniel did not fight against the spiritual evil.)

Ephesians 6:10-18

1. Recognize the Battle against Evil is spiritual. Wonder Woman and the belief that Ares was behind the war.
2. Sharing our Faith. We cannot be silent. (You cannot force people to convert, instead you are a tool for God.)
3. Fighting the Battle within ourselves. Romans 7:21-24 – The war we battle between doing good and evil within ourselves.

D. Our Weapons in this Spiritual Battle:

1. Prayer is a powerful tool.
2. Faith – A strong trust in God.

Final Thoughts:

You are not in this world alone. (There is a spiritual world that you cannot see that is providing support for you.)

Jesus has already defeated evil on the cross and will have the ultimate victory in the future because of what he has already done.
